Operation Paperclip Casefile

- Dossier Compiled by Agent Orange (Fri, 08 Aug 1997)

After WWII ended in 1945, victorious Russian and American intelligence teams began a treasure hunt throughout occupied Germany for military and scientific booty. They were looking for things like new rocket and aircraft designs, medicines, and electronics. But they were also hunting down the most precious "spoils" of all: the scientists whose work had nearly won the war for Germany. The engineers and intelligence officers of the Nazi War Machine.

The U.S. Military [rounded up Nazi scientists](#) and brought them to America. It had originally intended merely to debrief them and send them back to Germany. But when it realized the extent of the scientists knowledge and expertise, the War Department decided it would be a waste to send the scientists home. Following the discovery of flying discs ([foo fighters](#)), particle/laser beam weaponry in German military bases, the War Department decided that NASA and the CIA must control this technology, and the Nazi engineers that had worked on this technology.

There was only one problem: it was illegal. U.S. law explicitly prohibited Nazi officials from immigrating to America--and as many as three-quarters of the scientists in question had been committed Nazis.

DATA-POINTS:

Convinced that German scientists could help America's postwar efforts, President Harry Truman agreed in September 1946 to authorize "Project Paperclip," a program to bring selected German scientists to work on America's behalf during the "Cold War"

However, Truman expressly excluded anyone found "to have been a member of the Nazi party and more than a nominal participant in its activities, or an active supporter of Naziism or militarism."

The War Department's Joint Intelligence Objectives Agency (JIOA) conducted background investigations of the scientists. In February 1947, JIOA Director Bosquet Wev submitted the first set of scientists' dossiers to the State and Justice Departments for review.

The Dossiers were damning. Samauel Klaus, the State Departments representative on the JIOA board, claimed that all the scientists in this first batch were "ardent Nazis." Their visa requests were denied.

Wev was furious. He wrote a memo warning that "the best interests of the United States have been subjugated to the efforts expended in 'beating a dead Nazi horse.'" He also declared that the return of these scientists to Germany, where they could be exploited by America's enemies, presented a "far greater security threat to this country than any former Nazi affiliations which they may have had or even any Nazi sympathies that they may still have."

When the JIOA formed to investigate the backgrounds and form dossiers on the Nazis, the Nazi Intelligence leader Reinhard Gehlen met with the CIA director Allen Dulles. Dulles and Gehlen hit it off immediatly. Gehlen was a master spy for the Nazis and had infiltrated Russia with his vast Nazi Intelligence network. Dulles promised Gehlen that his Intelligence unit was safe in the CIA.

Apparently, Wev decided to sidestep the problem. Dulles had the scientists dossier's re-written to eliminate incriminating evidence. As promised, Allen Dulles delivered the Nazi Intelligence unit to the CIA, which later opened many umbrella projects stemming from Nazi mad research. ([MK-ULTRA / ARTICHOKE, OPERATION MIDNIGHT CLIMAX](#))

Military Intelligence "cleansed" the files of Nazi references. By 1955, more than 760 German scientists had been granted citizenship in the U.S. and given prominent positions in the American scientific community. Many had been longtime members of the Nazi party and the Gestapo, had conducted experiments on humans at concentration camps, had used slave labor, and had committed other war crimes.

In a 1985 expose in the Bulletin of the Atomic Scientists Linda Hunt wrote that she had examined more than 130 reports on Project Paperclip subjects--and every one "had been changed to eliminate the security threat classification." President Truman, who had explicitly ordered no committed Nazis to be admitted under Project Paperclip, was evidently never aware that his directive had been violated. State Department archives and the memoirs of officials from that era confirm this. In fact, according to Clare Lasby's book Operation Paperclip, project officials "covered their designs with such secrecy that it bedeviled their own President; at Potsdam he denied their activities and undoubtedly enhanced Russian suspicion and distrust," quite possibly fueling the Cold War even further.

A good example of how these dossiers were changed is the case of Wernher von Braun. A September 18, 1947, report on the German rocket scientist stated, "Subject is regarded as a potential security threat by the Military Governor."

The following February, a new security evaluation of Von Braun said, "No derogatory information is available on the subject...It is the opinion of the Military Governor that he may not constitute a security threat to the United States."

Here are a few of the 700 suspicious characters who were allowed to immigrate through Project Paperclip.

ARTHUR RUDOLPH

During the war, Rudolph was operations director of the Mittelwerk factory at the Dora-Nordhausen concentration camps, where 20,000 workers died from beatings, hangings, and starvation. Rudolph had been a member of the Nazi party since 1931; a 1945 military file on him said simply: "100% Nazi, dangerous type, security threat..!! Suggest internment."

But the JIOA's final dossier on him said there was "nothing in his records indicating that he was a war criminal or an ardent Nazi or otherwise objectionable." Rudolph became a US citizen and later designed the Saturn 5 rocket used in the Apollo moon landings. In 1984, when his war record was finally investigated, he fled to West Germany.

WERNHER VON BRAUN

From 1937 to 1945, von Braun was the technical director of the Peenemunde rocket research center, where the V-2 rocket --which devastated England--was developed. As noted previously, his dossier was rewritten so he didn't appear to have been an enthusiastic Nazi.

Von Braun worked on guided missiles for the U.S. Army and was later director of NASA's Marshall Space Flight Center. He became a celebrity in the 1950s and early 1960s, as one of Walt Disney's experts on the "World of Tomorrow." In 1970, he became NASA's associate administrator.

KURT BLOME

A high-ranking Nazi scientist, Blome told U.S. military interrogators in 1945 that he had been ordered 1943 to experiment with plague vaccines on

concentration camp prisoners. He was tried at Nuremberg in 1947 on charges of practicing euthanasia (extermination of sick prisoners), and conducting experiments on humans. Although acquitted, his earlier admissions were well known, and it was generally accepted that he had indeed participated in the gruesome experiments.

Two months after his Nuremberg acquittal, Blome was interviewed at Camp David, Maryland, about biological warfare. In 1951, he was hired by the U.S. Army Chemical Corps to work on chemical warfare. His file neglected to mention Nuremberg.

MAJOR GENERAL WALTER SCHREIBER

According to Linda Hunt's article, the US military tribunal at Nuremberg heard evidence that "Schreiber had assigned doctors to experiment on concentration camp prisoners and had made funds available for such experimentation." The assistant prosecutor said the evidence would have convicted Schreiber if the Soviets, who held him from 1945 to 1948, had made him available for trial. Again, Schreiber's Paperclip file made no mention of this evidence; the project found work for him at the Air Force School of Medicine at Randolph Field in Texas. When columnist Drew Pearson publicized the Nuremberg evidence in 1952, the negative publicity led the JIOA, says Hunt, to arrange "a visa and a job for Schreiber in Argentina, where his daughter was living." On May 22, 1952, he was flown to Buenos Aires.

HERMANN BECKER-FREYSING AND SIEGFRIED RUFF

These two, along with Blome, were among the 23 defendants in the Nuremberg War Trials "Medical Case." Becker-Freysing was convicted and sentenced to 20 years in prison for conducting experiments on Dachau inmates, such as starving them, then force-feeding them sea water that had been chemically altered to make it drinkable. Ruff was acquitted (in a close decision) on charges that he had killed as many as 80 Dachau inmates in a low-pressure chamber designed to simulate altitudes in excess of 60,000 feet. Before their trial, Becker-Freysing and Ruff were paid by the Army Air Force to write reports about their grotesque experiments.

GENERAL REINHARD GEHLEN

It was five years after the end of WWII but one of Hitler's chief intelligence officers was still on the job. From a walled-in compound in Bavaria, General Reinhard Gehlen oversaw a vast network of intelligence agents spying on Russia. His top aides were Nazi zealots who had committed some of the most notorious crimes of the war. Gehlen and his SS unit were hired, and swiftly became agents of the CIA when they revealed their massive records on the Soviet Union to the US.

Gehlen derived much of his information from his role in one of the most terrible atrocities of the war: the torture, interrogation and murder by starvation of some four million Soviet prisoners. Prisoners who refused to cooperate were often tortured or summarily executed. Many were executed even after they had given information, while others were simply left to starve to death. As a result, Gehlen and members of his organization maneuvered to make sure they were captured by advancing American troops rather than Russians, who would have executed them immediately.

Two months before Germany surrendered in 1945, the Gehlen organization made its move. "Gehlen and a small group of his most senior officers carefully microfilmed the vast holdings on the USSR in the military section of the German army's general staff. They packed the film in watertight steel drums and secretly buried it in a remote mountain meadow scattered throughout the Austrian Alps.

General William Donovan and Allen Dulles of the CIA were tipped off about Gehlen's surrender and his offer of Russian intelligence in exchange for a job. The CIA was soon jockeying with military intelligence for authority over Gehlen's microfilmed records--and control of the German spymaster. Dulles arranged for a private intelligence facility in West Germany to be established, and named it the Gehlen Organization. Gehlen promised not to hire any former SS, SD, or Gestapo members; he hired them anyway, and the CIA did not stop him. Two of Gehlen's early recruits were Emil Augsburg and Dr. Franz Six, who had been part of mobile killing squads, which killed Jews, intellectuals, and Soviet partisans wherever they found them. Other early recruits included Willi Krichbaum, senior Gestapo leader for southeastern Europe, and the Gestapo chiefs of Paris and Kiel, Germany.

With the encouragement of the CIA, Gehlen Org (Licio Gelli) set up "rat lines" to get Nazi war criminals out of Europe so they wouldn't be prosecuted. By setting up transit camps and issuing phony passports, the Gehlen Org helped more than 5,000 Nazis leave Europe and relocate around the world, especially

in South and Central America. There, mass murderers like Klaus Barbie (the butcher of Lyons) helped governments set up death squads in Chile, Argentina, El Salvador, and elsewhere.

KLAUS BARBIE

Known as the Nazi butcher of Lyons, France during World War II, Barbie was part of the SS which was responsible for the and death of thousands of French people under the Germany occupation.

HEINRICH RUPP

Some of Rupp's best work was done for the CIA, after he was imported in Operation Paperclip. Rupp has been convicted of bank fraud. He was an operative for the CIA and is deeply involved in the Savings and Loan scandals. A federal jury has indicated they believe testimony that Rupp, the late CIA Director William Casey - then Reagan's campaign manager, and Donald Gregg, now U.S. Ambassador to South Korea, flew with George Bush to Paris in 1980, during the election in which Bush was on the ticket with Ronald Reagan. The testimony states that three meetings were held on October 19 and 20 at the Hotel Florida and Hotel Crillion. The subject? According to the court testimony, the meetings were to sabotage President Jimmy Carter's reelection campaign by delaying the release of American hostages in Iran. The hostages were released on January 20, 1981, right after Reagan and Bush were sworn into office. Iran was promised return of its frozen assets in the United States and the foundation for the Iran- Contra deal was set into motion.

LICIO GELLI

Head of a 2400 member secret Masonic Lodge, P2, a neo-fascist organization, in Italy that catered to only the elite, Gelli had high connections in the Vatican, even though he was not a Catholic. P2's membership is totally secret and not even available to its Mother Lodge in England. Gelli was responsible for providing Argentina with the Exocet missile. He was a double agent for the CIA and the KGB. He assisted many former Nazi high officials in their escape from Europe to Central America. He had close ties with the Italian Mafia. Gelli was a close associate of Benito Mussolini. He was also closely affiliated with Roberto Calvi, head of the scandal-ridden Vatican Bank. Calvi was murdered. Gelli's secret lodge consisted of extremely important people, including armed forces

commanders, secret service chiefs, head of Italy's financial police, 30 generals, eight admirals, newspaper editors, television and top business executives and key bankers - including Calvi. Licio Gelli and others in P2 were behind the assassination of Pope John Paul I.

The central figure in Europe and South America that linked the CIA, Masonic Lodge, Vatican, ex-Nazis and several South American governments, the Italian government and several international banks was Licio Gelli. He, with Klaus Barbie and Heinrich Rupp, met with Ronald R. Rewald in Uruguay to arrange for the Argentine purchase of the French-made Exocet missile, used in the Falkland Island attack to kill British soldiers.

Who is Gelli and why was he so important?

To understand Gelli, one must understand the complex post war years of Europe. The biggest threat to Europe in pre-war times was Communism - it was the great fear of Communism that gave birth to the Fascists and the Nazis. Though both sides were dreaded, the Fascists represented right-wing government, while the Communist represent left-wing government. It was the right-wing that the United States and the Catholic Church desired over Communism - because Communism would destroy the capitalistic system. This is why the CIA and the Vatican had to go through with Operation Paperclip. The Nazis had massive amounts of Soviet intelligence, had infiltrated Communist partisans, and were in no way going to be given up to the Soviet Union.

Gelli worked both sides. He helped to found the Red Brigade, spied on Communist partisans and worked for the Nazis at the same time, a double agent. He helped establish the Rat Line, which assisted the flight of high ranking Nazi officials from Europe to South America, with passports supplied by the Vatican and with the full acknowledgment and blessing of the United States intelligence community. While on one hand, the U.S. participated in the war crime tribunals of key Nazi officials and maintained an alliance with the Communist Soviet Union, secretly, the U.S. was preparing for the cold war and needed the help of Nazis in the eventual struggle the U.S. would have with the Soviet Union. Gelli's agreement with U.S. intelligence to spy on the Communists after the war was instrumental in saving his life. He was responsible for the murder and torture of hundreds of Yugoslavian partisans. The Vatican provided support to Nazis and Fascists because the Communists were the real threat to the Church's survival. The Italian Communists would have taxed the Church's vast holdings and the Church has had a dismal

experience with Communist governments throughout the world - where religious freedom was stamped out.

Gelli was well connected with the Vatican from the days of the Rat Line and he worked for American intelligence, as well. Gelli formed the P-2 Masonic Lodge-which did not follow the direction of any Grand Lodge-and it was supplied with a sum of \$10 million a month by the CIA. Its membership was a Who's Who in the intelligence, military and Italian community. So prominent was Gelli's influence, that he was even a guest of honor at the 1981 inauguration of President Ronald Reagan.

Gelli used blackmail in order to gain prominent members of his P-2 lodge, its membership is estimated at 2400 members, including 300 of the most powerful men in the Western World.. He was a close friend of Pope Paul VI, Juan Peron of Argentina, Libyan Dictator Muammar el-Qaddafi, and many high officials in the Italian and American governments - he is also reported to have had some financial dealings with the George Bush for President campaign.

Gelli and his P-2 lodge had staggering connections to banking, intelligence and diplomatic passports. The CIA poured hundreds of millions of dollars into Italy in the form of secret subsidies for political parties, labor unions and communications businesses. At the same time the Agency continued its relationship with far- right and violent elements as a back-up should a coup be needed to oust a possible Communist government. This covert financing was exposed by the Prime Minister of Italy in a speech to Parliament. He indicates that more than 600 people in Italy still remain on the payroll of the CIA. Licio Gelli was an ardent Nazi and a perfect asset of the CIA. As part of Reinhard Gehlen's intelligence team, he had excellent contacts. Licio was the go between for the CIA and the Vatican through his P2 Lodge.

Project Paperclip was stopped in 1957, when West Germany protested to the U.S. that these efforts had stripped it of "scientific skills." There was no comment about supporting Nazis. Paperclip may have ended in 1957, but as you can see from Licio Gelli and his international dealings with the CIA in Italy/P2, and Heinrich Rupp with his involvement in October Surprise, the ramifications of Paperclip are world-wide. The Nazis became employed CIA agents, engaging in clandestine work with the likes of George Bush, the CIA, Henry Kissinger, and the Masonic P2 lodge. This is but one of the results of Operation Paperclip. Another umbrella project that was spawned from Paperclip was MK-ULTRA.

A secret laboratory was established and funded by CIA director, Allen Dulles in Montreal, Canada at McGill University in the Allen Memorial Institute headed by psychiatrist Dr. Ewen Cameron. For the next several years Dr. Ewen Cameron waged his private war in Canada. What is ironic about Dr. Cameron is that he served as a member of the Nuremberg tribunal who heard the cases against the Nazi doctors.

When it was at its height in drug experiments, operation MK-ULTRA was formed. This was the brainchild of Richard Helms who later came to be a CIA director. It was designed to defeat the "enemy" in its brain-washing techniques. MK-ULTRA had another arm involved in Chemical and Biological Warfare (CBW) known as MK-DELTA. The "doctors" who participated in these experiments used some of the same techniques as the Nazi "doctors".

Techniques used by Dr. Cameron and previous Nazi scientists include electro shock, sleep deprivation, memory implantation, memory erasure, sensory modification, psychoactive drug experiments, and many more cruel practices. Project Paperclip brought us MK-ULTRA. Paperclip ultimately brought in key players involved in the Assassination of Pope 1, October Surprise (sabotage of Carter's peace talks), and a great many other things still classified to this day. The results of Project Paperclip were devastating, and very far reaching. I guess that is what you would expect from collaborating with Nazis.

This research shows that the OSS/CIA that was formed in the National Security Act, the same agency that employed hundreds of Nazis, has been in alliance with the Vatican through various Agency connections such as Licio Gelli. The CIA/Vatican alliance that Assassinated Pope John Paul 1, JFK, and hundreds of dictators of 3rd world countries is the Illuminati.

The Bavarian Illuminati has been around for centuries in one way or another. It's presence in the 20th century is the direct result of the Nazis. The Nazi connections to the occult and the Bavarian Thule Society were parallel to the American members of 33rd degree Freemasonry. When the Operation Paperclip was successfully executed, the Nazi element of the Bavarian Thule society was fused with the American members of Freemasonry to create the Illuminati. Operation Paperclip, MK-ULTRA, October Surprise, and George Bush are all facets of the Illuminati, a group whose ideals are rooted in the occult, and dedicated to world domination.

Soon after the American Revolution, John Robinson, a professor of rural philosophy at Edinburgh University in Scotland and member of a Freemason lodge, said that he was asked to join the Illuminati. After studying the group,

he concluded that the purposes of the Illuminati were not compatible with his beliefs.

In 1798, he published a book called *Proofs Of A Conspiracy*, which states:

"An association has been formed for the express purpose of rooting out all the religious establishments and overturning all the existing governments.... The leaders would rule the World with uncontrollable power, while all the rest would be employed as tools of the ambition of their unknown superiors."

The CIA and the Vatican have rooted out all the religious establishments in the world. The CIA has overthrown and set up dictators under their control all over the world. The CIA and the Vatican have fulfilled the purpose of the Illuminati. The CIA and the Vatican are the Illuminati.

Nazi Mind Control

Amidst the subtle cerebral circumvention of the gullible populace, through a multitude of manipulated mediums, lies one of the most diabolical atrocities perpetrated upon a segment of the human race; a form of systematic mind control which has permeated every aspect of society for almost fifty years. To objectively ascertain the following, one may need to re-examine preconceived ideologies relating to the dualistic nature of mankind.

Resolving the philosophical question of whether we are inherently good or inherently evil is tantamount in shaping our perception of reality; specifically, the spiritual variable within the equation of life.

This exposition is substantiated by declassified U.S. government documents, individuals formerly connected to the U.S. intelligence communities, historical writings, researchers knowledgeable in mind control, publications from mental health practitioners, and interviews taken from survivors unwittingly subjected to a highly complex form of trauma-based mind control known as MONARCH programming.

A word of caution for survivors of intensively systematic mind control and/or some form of ritualized abuse: There are numerous "triggers" in this article. It is therefore recommended not to read it unless appropriate support systems are in place or if you have a thoroughly reintegrated personality.

A Brief History of Control

The Mystery Religions of ancient Egypt, Greece, India and Babylon helped lay the foundation for occultism, meaning "hidden knowledge." One of the earliest writings giving reference to occultism is the Egyptian Book of the Dead, a compilation of rituals explicitly describing methods of torture and intimidation (to create trauma), the use of potions (drugs) and the casting of spells

(hypnotism), ultimately resulting in the total enslavement of the initiate.[1] These have been the main ingredients for a part of occultism known as Satanism, throughout the ages. During the 13th Century, the Roman Catholic church increased and solidified its dominion throughout Europe with the infamous Inquisition. Satanism survived this period of persecution, deeply entrenching itself under the veil of various esoteric groups.

In 1776, a Bavarian Jesuit by the name of Adam Weishaupt was commissioned by the House of Rothschild to centralize the power base of the Mystery Religions into what is commonly known as the Illuminati, meaning "Enlightened Ones." This was an amalgamation of powerful occultic bloodlines, elite secret societies and influential Masonic fraternities, with the desire to construct the framework for a "New World Order." The outward goal of this Utopia was to bring forth universal happiness to the human race. However, their underlying intention was to gradually increase control over the masses, thus becoming masters of the planet.

The Anglo Alliance

By the 19th century, Great Britain and Germany were recognized as the primary geographic areas of Illuminati control. It then should be of little surprise to know the first work in Behavioral Science research was established in England in 1882, while much of the early medical and psychiatric techniques involved in mind control were pioneered at the Kaiser Wilhelm Institute in Germany. The Tavistock Institute of Human Relations was set up in London in 1921 to study the "breaking point" of humans. Kurt Lewin, a German psychologist, became the director of the Tavistock Institute in 1932, about the same time Nazi Germany was increasing its research into neuropsychology, parapsychology and multi-generational occultism.

Interestingly, a progressive exchange of scientific ideas was taking place between England and Germany, most notably in the field of eugenics: the movement devoted to "improving" the human species through the control of hereditary factors in mating. The nefariously enigmatic union between the two countries was bonded, partly through the Order of the Golden Dawn, a secret society which consisted of many high ranking officials in the Nazi party and British aristocracy. Top SS Nazi officer Heinrich Himmler, was in charge of a scientific project called Lebersborn, which included selective breeding and adoption of children, a peculiarly large number of twins among them.[2] The purpose of the program was to create a super-race (Aryans) who would have total allegiance to the cause of the Third Reich(New World Order).

Much of the preliminary experimentation concerning genetic engineering and behavior modification was conducted by Dr. Josef Mengele at Auschwitz, where he coldly analyzed the effects of trauma-bonding, eye-coloring and "twinning" upon his victims. Beside the insidious surgical experimentation performed at the concentration camp, some of the children were subjected to massive amounts of electroshock. Sadly, many of them did not survive the brutality. Concurrently, "brain-washing" was carried out on inmates at Dachau, who

were placed under hypnosis and given the hallucinogenic drug mescaline. During the war, parallel behavioral research was led by Dr. George Estabrooks of Colgate University. His involvement with the Army, CID, FBI and other agencies remains shrouded in secrecy. However, Estabrooks would occasionally "slip" and discuss his work involving the creation of hypno-programmed couriers and hypnotically-induced split personalities.[3] After WWII, the U.S. Department of Defense secretly imported many of the top German Nazi and Italian Fascist scientists and spies into the United States via South America and the Vatican. The code name for this operation was Project PAPERCLIP.[4] One of the more prominent finds for the U.S. was German General Reinhard Gehlen. Hitler's Chief of Intelligence against Russia. Upon arriving in Washington D.C. in 1945, Gehlen met extensively with President Truman, General William "Wild Bill" Donovan, Director of the Office of Strategic Services(OSS) and Allen Dulles, who would later become the stalwart head of the CIA. The objective of their brain-storming sessions was to reorganize the nominal American intelligence operation, transforming it into a highly-efficient covert organization. The culmination of their efforts produced the Central Intelligence Group in 1946, renamed the Central Intelligence Agency(CIA) in 1947.

Reinhard Gehlen also had profound influence in helping to create the National Security Council, from which the National Security Act of 1947 was derived. This particular piece of legislation was implemented to protect an unconscionable number of illegal government activities, including clandestine mind control programs.

The Evolution of Project MKULTRA

With the CIA and National Security Council firmly established, the first in a series of covert brain-washing programs was initiated by the Navy in the fall of 1947. Project CHATTER was developed in response to the Soviet's "successes" through the use of "truth drugs." This rationale, however was simply a cover story if the program were to be exposed. The research focused on the identification and testing of such drugs for use in interrogations and the recruitment of agents.[5] The project was officially terminated in 1953.

The CIA decided to expand their efforts in the area of behavior modification, with the advent of Project BLUEBIRD, approved by director Allen Dulles in 1950. Its objectives were to; (1) discover a means of conditioning personnel to prevent unauthorized extraction of information from them by known means, (2) investigate the possibility of control of an individual by application of special interrogation techniques, (3) investigate memory enhancement and (4) establish defensive means for preventing hostile control of agency personnel. In August 1951, Project BLUE BIRD was renamed Project ARTICHOKE, which evaluated offensive uses of interrogation techniques, including hypnosis and drugs The program ceased in 1956. Three years prior to the halt of Project ARTICHOKE, Project MKULTRA came into existence on April 13, 1953 along the

lines proposed by Richard Helms, Deputy Director of Central Intelligence (DDCI) with the rationale of establishing a "special funding mechanism of extreme sensitivity." [6] The hypothetical etymology of "MK" may possibly stand for "Mind Kontrolle." The obvious translation of the German word "Kontrolle" into English is "control." [7] A host of German doctors, procured from the post war Nazi talent pool, were an invaluable asset toward the development of MKULTRA. The correlation between the concentration camp experiments and the numerous sub-projects of MKULTRA are clearly evident. The various avenues used to control human behavior under MKULTRA included radiation, electroshock, psychology, psychiatry, sociology, anthropology, graphology, harassment substances and paramilitary devices and materials "LSD" being the most widely dispensed "material". A special procedure, designated MKDELTA, was established to govern the use of MKULTRA abroad. MKULTRA/DELTA materials were used for harassment, discrediting or disabling purposes. [8] Of the 149 subprojects under the umbrella of MKULTRA having been identified, Project MONARCH, officially begun by the U.S. Army in the early 1960's (although unofficially implemented much earlier) appears to be the most prominent and is still classified as TOP SECRET for "National Security" reasons. [9] MONARCH may have culminated from MKSEARCH subprojects, such as operation SPELLBINDER, which was set up to create "sleeper" assassins (i.e. "Manchurian candidates") who could be activated upon receiving a key word or phrase while in a post-hypnotic trance. Operation OFTEN, a study which attempted to harness the power of occultic forces was possibly one of several cover programs to hide the insidious reality of Project MONARCH.

Definition and Description

The name MONARCH is not necessarily defined within the context of royal nobility, but rather refers to the monarch butterfly. When a person is undergoing trauma induced by electroshock, a feeling of light-headedness is evidenced; as if one is floating or fluttering like a butterfly. There is also a symbolic representation pertaining to the transformation or metamorphosis of this beautiful insect: from a caterpillar to a cocoon (dormancy, inactivity), to a butterfly (new creation) which will return to its point of origin. Such is the migratory pattern that makes this species unique.

Occultic symbolism may give additional insight into the true meaning Psyche is the word for both "soul" and "butterfly" coming from the belief that human souls become butterflies while searching for a new reincarnation. [10]

Some ancient mystical groups, such as the Gnostics, saw the butterfly as a symbol of corrupt flesh. The "Angel of Death" (remember Mengele?) in Gnostic art works was portrayed crushing the butterfly. [11] A marionette is a puppet that is attached to strings and is controlled by the puppet master, hence MONARCH programming is also referred to as the "Marionette Syndrome." "Imperial Conditioning" is another term used, while some mental health therapists know it as "Conditioned Stimulus Response Sequences." Project MONARCH could be best described as a form of structured dissociation and

occultic integration, in order to compartmentalize the mind into multiple personalities within a systematic framework. During this process, a Satanic ritual, usually including Cabalistic mysticism, is performed with the purpose of attaching a particular demon or group of demons to the corresponding alter(s). Of course, most skeptics would view this as simply a means to enhance trauma within the victim. negating any irrational belief that demonic possession actually occurs.

Alters and Triggers

Another way of examining this convoluted victimization of body and soul is by looking at it as a complex computer program: A file (alter) is created through trauma, repetition and reinforcement. In order to activate (trigger) the file, a specific access code or password (cue or command) is required. The victim/survivor is called a "slave" by the programmer/handler, who in turn is perceived as "master" or "god." About 75% are female, since they possess a higher tolerance for pain and tend to dissociate easier than males. Subjects are used mainly for cover operations, prostitution and pornography; involvement in the entertainment industry is notable. A former military officer connected to the DIA, told this writer, "In the 'big picture' these people [MONARCH victims] are in all walks of life, from the bum on the street to the white-collar guy". In corroboration, a retired CIA agent vaguely discussed the use of such personnel to be used as "plants" or "chameleons" for the purpose of infiltrating a designated group, gathering information and/or injecting an ulterior agenda. There are an inordinate amount of alters in the victim/survivor with numerous back-up programs, mirrors and shadows. A division of light-side (good) and dark-side (bad) alters are interwoven in the mind and rotate on an axis. One of the main internal structures, (of which there are many) within the system is shaped like a double-helix, consisting of seven levels. Each system has an internal programmer which oversees the "gatekeeper" (demons?) who grant or deny entry into the different rooms. A few of the internal images predominately seen by victims/survivors are trees, the Cabalistic "Tree of Life," with adjoining root systems, infinity loops, ancient symbols and letters, spider webs, mirrors or glass shattering, masks, castles, mazes, demons/monsters/aliens, sea shells, butterflies, snakes, ribbons, bows, flowers, hour glasses, clocks, robots, chain-of-command diagrams and/or schematics of computer circuitry boards.

Bloodlines and Twinning

A majority of the victims/survivors come from multi-generational Satanic families (bloodlines) and are ostensibly programmed "to fill their destiny as the chosen ones or chosen generations" (a term coined by Mengele at Auschwitz). Some are adopted out to families of similar origin. Others used in this neurological nightmare are deemed as the "expendable ones" (non-bloodliners), usually coming from orphanages, foster care homes, or incestuous

families with a long history of pedophilia. There also appears to be a pattern of family members affiliated with government or military intelligence agencies. Many of the abused come from families who use Catholicism, Mormonism, or charismatic Christianity as a "front" for their abominable activities (though members of other religious groups are also involved.)

Victims/survivors generally respond more readily to a rigid religious (dogmatic, legalistic) hierarchical structure because it parallels their base programming. Authority usually goes unchallenged, as their will has been usurped through subjective and command-oriented conditioning.

Physical identification characteristics on victims/survivors often include multiple electrical prod scars and/or resultant moles on their skin. A few may have had various parts of their bodies mutilated by knives, branding irons, or needles, Butterfly or occult tattoos are also common. Generally, bloodliners are less likely to have the subsequent markings, as their skin is to "remain pure and unblemished."

The ultimate purpose of the sophisticated manipulation of these individuals may sound unrealistic, depending upon our interpretive understanding of the physical and spiritual realms. The deepest and darkest alters within bloodliners are purported to be dormant until the "Anti-Christ" is revealed. These "New World Order" alters supposedly contain call-back orders and instructions to train and/or initiate a large influx of people (possibly clones or "soulless ones"), thereby stimulating social control programs into the new millennium. Non-biological "twinning" is yet another bizarre feature observed within MONARCH programming. For instance, two young non related children would be ceremoniously initiated in a magical "soul-bonding" ritual so they might be "inseparably paired for eternity" (possibly another Mengele connection?). They essentially share two halves of the programmed information, making them interdependent upon one another. Paranormal phenomenon such as astral projection, telepathy, ESP, etc. appear to be more pronounced between those who have undergone this process.

Levels of MONARCH Programming [12]

ALPHA. Regarded as "general" or regular programming within the base control personality; characterized by extremely pronounced memory retention, along with substantially increased physical strength and visual acuity. Alpha programming is accomplished through deliberately subdividing the victims personality which, in essence, causes a left brain-right brain division, allowing for a programmed union of L and R through neuron pathway stimulation.

BETA. Referred to as "sexual" programming. This programming eliminates all learned moral convictions and stimulates the primitive sexual instinct, devoid of inhibitions. "cat" alters may come out at this level.

DELTA. This is known as "killer" programming, originally developed for training special agents or elite soldiers (i.e. Delta Force, First Earth Battalion, Mossad, etc.) in covert operations. Optimal adrenal output and controlled aggression is evident. Subjects are devoid of fear; very systematic in carrying out their

assignment. Self-destruct or suicide instructions are layered in at this level. THETA considered to be the "psychic" programming. Bloodliners (those coming from multi-generational Satanic families) were determined to exhibit a greater propensity for having telepathic abilities than did non-bloodliners. Due to its evident limitations, however, various forms of electronic mind control systems were developed and introduced, namely, bio-medical human telemetry devices (brain implants), directed-energy lasers using microwaves and/or electromagnetics. It is reported these are used in conjunction with highly-advanced computers and sophisticated satellite tracking systems.

OMEGA. A "self-destruct" form of programming, also known as "Code Green." The corresponding behaviors include suicidal tendencies and/or self-mutilation. This program is generally activated when the victim/survivor begins therapy or interrogation and too much memory is being recovered.

GAMMA. Another form of system protection is through "deception" programming, which elicits misinformation and misdirection. This level is intertwined with demonology and tends to regenerate itself at a later time if inappropriately deactivated.

Method and Components

The initial process begins with creating dissociation within the subject, usually occurring from the time of birth to about six years. This is primarily achieved through the use of electroshock (ECT) and is at times performed even when the child is in the mother's womb. Due to the severe trauma induced through ECT, sexual abuse and other methods, the mind splits off into alternate personalities from the core. Formerly referred to as Multiple Personality Disorder, it is presently recognized as Dissociative Identity Disorder and is the basis for MONARCH programming. Further conditioning of the victim's mind is enhanced through hypnotism, double-bind coercion, pleasure-pain reversals, food, water, sleep and sensory deprivation, along with various drugs which alter certain cerebral functions.

The next stage is to embed and compress detailed commands or messages within the specified alter. This is achieved through the use of hi-tech headsets, in conjunction with computer-driven generators which emit inaudible sound waves or harmonics that affect the RNA covering of neuron pathways to the subconscious and unconscious mind. "Virtual Reality" optical devices are sometimes used simultaneously with the harmonic generators projecting pulsating colored lights, subliminals and split-screen visuals. High voltage electroshock is then used for memory dissolution.

Programming is updated periodically and reinforced through visual, auditory and written mediums. Some of the first programming themes included the Wizard of Oz and Alice and Wonderland, both heavily saturated with occultic symbolism. Many of the recent Disney movies and cartoons are used in a two-fold manner: desensitizing the majority of the population, using subliminals and neuro-linguistic programming, and deliberately constructing specific triggers and keys for base programming of highly-impressionable MONARCH

children. A prime example of how subliminal programming works is by looking at the recent Disney cinematic sensation Pochahontas, curiously billed as their "33rd" (highest degree in Scottish Rite Freemasonry) animated movie. In the movie, Grandmother Willow is a mystical 400 year old tree who counsels the motherless Pochahontas to listen to her heart and help her realize all the answers lie within. Grandmother Willow is constantly talking in "double-speak" and using "reversals" (i.e. "Sometimes the right path is not the easiest one"; the esoteric derivative being: the left path [the path that leads to destruction] is the easiest one. In Illuminati Structured MPD Systems, the willow tree represents the occultic powers of Druidism. The intrinsic imagery of the tree's branches, leaves and root systems are very significant, as some of the dark spiritual proper ties associated with the Willow Tree Programming are: (1)

The branches are used to whip victims in rituals for "cleansing" purposes, (2) A willow tree can endure severe weather disturbances (i.e. storms) and is known for it's pliability or flexibility. Victims/Survivors of the programming describe the willow's branches wrapping around them, with no hope of escape, (3) The deep root system of the willow tree makes the victim/survivor feel as if they are falling deeper and deeper into an abyss while in a hypnotic trance. Music plays an instrumental role in programming, through combinations of variable tones, rhythms and words. Frightmeister Stephen King's numerous novels and subsequent movies, are purported by credible sources to be used for such villainous purposes. One of his latest books, Insomnia, features a picture of King with the trigger phrase "WE NEVER SLEEP," (indicative of someone with MPD/ DID) below an all-seeing eye. A partial list of other mediums used to reinforce base programming are:

Pinocchio, Sleeping Beauty, Snow White, Beauty and the Beast, Aladdin, The Little Mermaid, The Lion King, E. T., Star Wars, Ghost Busters, Trancers II, Batman, Bewitched, Fantasy Island, Reboot, Tiny Toons, Duck Tails, The Dead Sea Scrolls and The Tall Book of Make Believe. A few movies which depict or portray some aspect of MONARCH programming are Hell raiser 3, Raising Cain, Labyrinth, Telefon, Johnny Mneumonic, Point of No Return, The Lawnmower Man and Closet Land.

Programmers and Places

It's difficult to figure out who the original programmer of this satanic project was, due to the substantial amount of disinformation and cross-contamination propagated by the "powers that be." The two that went by the color-coded name of Dr. Green are a Jewish doctor named Dr. Gruenbaum, who supposedly collaborated with the Nazis during WWII, and Dr. Josef Mengele, whose trademark of cold blooded and calculating brutality has not only scarred the souls of survivors from Auschwitz, but also a countless number of victims throughout the world. Mengele's direct involvement at the infamous Auschwitz concentration camp was suspiciously downplayed during the Nuremberg Trials, and consequently no intensified effort by the U.S. and it's allies was directed

toward his capture.[13] As a means to confuse serious investigators as to his whereabouts, U.S. officials would report Mengele being a non-threatening, recluse in Paraguay or Brazil, or that he was simply dead (the "Angel of Death" miraculously must have come back to life at least five different times). His unprecedented research, at the expense of thousands of lives, undoubtedly was a significant bonus to U.S. interests, Besides using the pseudonym of Dr. Green, survivors knew him as Vaterchen (daddy), Schoner Josef (beautiful Joseph), David and Fairchild. A gracefully handsome man of slight stature, Mengele would disarm people with his gentle demeanor, while at other times, he would explode into violent rages.[14] Other characteristics remembered by survivors were the cadence of his shiny black boots as he paced back and forth and his I-love-you/I-love-you-not" daisy game. When he pulled off the last daisy petal, he would maliciously torture and kill a small child in front of the other child he was programming. Distraught survivors also recalled being thrown naked into cages with monkeys, who were trained to viciously abuse them. Evidently, Mengele enjoyed reducing people to the level of animals. He also would purposely restrain his victims from crying, screaming, or showing any excessive emotion.

Dr. D. Ewen Cameron, also known as Dr. White, was the former head of the Canadian, American and World Psychiatric Associations. Because of Cameron's extensive experience and credentials, the CIA's Allen Dulles funneled millions of dollars throughout organizations like the society for the Investigation of Human Ecology, which Cameron ruthlessly presided over. Experimentations were conducted at several locations in Montreal, mostly at McGill University, St Mary's Hospital and Allan Memorial Institute. Besides the conventional methods of psychiatric tyranny, such as electroshock drug injections and lobotomies, Cameron conceived the technique of "psychic driving," wherein unsuspecting patients were kept in a drug induced coma for several weeks and administered a regimen of electroshocks, while electronic helmets were strapped to their heads and repetitive auditory messages were transmitted at variable speeds.[15]

Many of those exploited were abused children which had been run through the Roman Catholic orphanage system. Not surprisingly, Dr Cameron has been conveniently left out of most psychiatric journals. This may have been, in fact, largely due to Project MKULTRA being publicly exposed in 1970, through lawsuits filed by Canadian survivors and their families. The CIA and Canadian government settled out of court so as not to be required to officially admit to any wrongdoing.

A former U.S. Army Lt. Col. in the DIA's Psychological Warfare Division, Michael Aquino, is the latest in a line of alleged government-sponsored sadists. Aquino, an eccentric genius, founded the Temple of Set, an offshoot of Anton LaVey's Church of Satan. His obsession with Nazi pagan rituals and his hypnotic manipulation of people made him an ideal candidate for the position of "Master Programmer." Aquino was connected with the Presidio Army Base day care scandal, in which he was accused child molestation. Much to the dismay of the young victims' parents, all charges were dismissed. Code-named "Malcolm",

Aquino developed training tapes on how to create a MONARCH slave and worked as a liaison between Government/Military Intelligence and various criminal organizations and occult groups in the distribution of MONARCH slaves.[16]

Heinrich Mueller was another important programmer who went under the code names "Dr. Blue" or "Gog." He apparently has two sons who have carried on the trade. The original "Dr. Black" was apparently Leo Wheeler, the nephew of deceased General Earle G. Wheeler, who was the commander of the Joint Chiefs of Staffs during the Vietnam War. Wheeler's protege, E. Hummel is active in the Northwest, along with W. Bowers (from the Rothschild bloodline). Other alleged master mind manipulators, past and present, are: Dr. Sydney Gottlieb, Lt. Col John Alexander, Richard Dabney Anderson (USN), Dr. James Monroe, Dr. John Lilly, Lt. Comdr. Thomas Narut, Dr William Jennings Bryan, Dr. Bernard L. Diamond, Dr. Martin T. Orne, Dr. Louis J. West, Dr Robert J. Lifton, Dr. Harris Isbel and Col. Wilson Green In order to keep MKULTRA from being easily detected, the CIA segmented its subprojects into specialized fields of research and development at universities, prisons, private laboratories and hospitals Of course, they were rewarded generously with government grants and miscellaneous funding.

The names and locations of some of the major institutions involved in MONARCH programming experimentation were/are:

Cornell, Duke, Princeton, UCLA, University of Rochester, MIT, Georgetown University Hospital, Maimonides Medical Center, St. Elizabeth's Hospital (Washington D.C.), Bell Laboratories, Stanford Research Institute, Westinghouse Friendship Laboratories, General Electric, ARCO and Manking Research Unlimited, The "final product" was/is usually created on military installations and bases, where maximum security is required. Referred to as (re) programming centers or near-death trauma centers, the most heavily identified are:

China Lake Naval Weapons Center, The Presidio, Ft. Dietrick, Ft. Campbell, Ft. Lewis, Ft. Hood, Redstone Arsenal, Offutt AFB, Patrick AFB, McClellan AFB, MacGill AFB, Kirkland AFB, Nellis AFB, Homestead AFB, Grissom AFB, Maxwell AFB and Tinker AFB

Other places recognized as major programming sites are Langley Research Center, Los Alamos National Laboratories, Tavistock Institute and areas in or by Mt. Shasta, CA, Lampe, MO and Las Vegas, NV.

Notable Names

One of the first documented cases of a MONARCH secret agent was that of the voluptuous 1940's model, Candy Jones. The book, The Control of Candy Jones, (Playboy Press) portrays her 12 years of intrigue and suspense as a spy for the CIA. Jones, whose birth name is Jessica Wilcox, apparently fit the physiological profile as to be one of the initial experiments or human guinea pigs under the government's "scientific" project, MKULTRA.

The most publicized case of MONARCH monomania has surfaced through the

book TRANCE Formation of America:

The True Life Story of a CIA Slave by Cathy O'Brien. On the back cover it emphatically states, "Cathy O'Brien is the only vocal and recovered survivor of the Central Intelligence Agency's MKULTRA Project Monarch mind control operation" This documented autobiography contains compelling accounts of O'Brien's years of unrelenting incest and eventual introduction into Project MONARCH by her perverted father. Along with co-author Mark Phillips, her rescuer and deprogrammer, Cathy covers an almost unbelievable array of conspiratorial crime: forced prostitution (white slavery) with those in the upper echelons of world politics, covert assignments as a "drug mule" and courier, and the country-western music industry's relationship with illegal CIA activities.

Paul Bonaci a courageous survivor who endured almost two decades of degradation under Project MONARCH, has disclosed strong corroborating evidence of widescale crimes and corruption from the municipal/state level all the way up to the White House.[17] He has testified about sexually-abused males selected from Boy's Town in Nebraska and taken to nearby Offut AFB, where he says they were subjected to intense MONARCH programming, directed mainly by Commander Bill Plemmons and former Lt. Col. Michael Aquino.[18] After thoroughly tormenting the young boys into mindless oblivion, they were used (along with girls) for pornography and prostitution with several of the nation's political and economic power brokers. Bonnaci recalled being transported from the Air Force base via cargo planes to McClelland AFB in California. Along with other unfortunate adolescents and teenagers, he was driven to the elite retreat, Bohemian Grove. The perpetrators took full advantage of these innocent victims, committing unthinkable perversions in order to satisfy their deviant lusts. Some victims were apparently murdered, further traumatizing already terrified and broken children. An insuitable actress of marginal talent (now deceased), a morally-corrupt T.V. evangelist, a heralded former Green Beret officer and a popular country-western singer are a few others likely having succumbed to MONARCH madness. Lee Harvey Oswald, Sirhan-Sirhan, Charlie Manson, John Hinckley Jr., Mark Chapman, David Koresh, Tim McVeigh and John Salvi are some notable names of infamy, strongly suspected of being pawns who were spawned by MKULTRA.

Deprogrammers and Exposers

Dr. Corydon Hammond, a Psychologist from the University of Utah, delivered a stunning lecture entitled "Hypnosis in MPD: Ritual Abuse" at the Fourth Annual Eastern Regional Conference on Abuse and Multiple Personality, June 25, 1992 in Alexandria, Virginia. He essentially confirmed the suspicions of the attentive crowd of mental health professionals, wherein a certain percentage of their clients had undergone mind control programming in an intensively systematic manner. Hammond alluded to the Nazi connection, military and CIA mind control research, Greek letter and color programming and specifically mentioned the Monarch Project in relation to a form of operative conditioning.

Shortly after his ground breaking speech, he received death threats. Not wanting to jeopardize the safety of his family, Dr. Hammond stopped disseminating any follow-up information, until recently. Mark Phillips, a former electronics subcontractor for the Department of Defense, was privy to some of the top secret mind control activities perpetrated by the U.S. government. His inquisitive demeanor, strong conscience and heart-felt concern for Cathy O'Brien, a "Presidential Model" under Project MONARCH, prompted him to reveal the inner-workings of this grand deception beginning about 1991. As the story goes, he helped Ms. O'Brien escape from her captors and was able to deprogram her in about a years time in Alaska. The controversial Phillips has his share of critics who are skeptical of the veracity of his claims. New Orleans therapist Valerie Wolf introduced two of her patients before the President's

Committee on Human Radiation Experiments on March 15, 1995 in Washington D.C. The astonishing testimony made by these two brave women included accounts of German doctors, torture, drugs, electroshock, hypnosis and rape, besides being exposed to an undetermined amount of radiation. Both Wolf and her patients stated they recovered the memories of this CIA program without regression or hypnosis techniques.[19] Wolf presently devotes much of her time to counseling such survivors.

A former labor attorney for Atlantic Richfield Co., David E. Rosenbaum, conducted a nine. year investigation (1983-1992) concerning allegations of physical torture and coercive conditioning of numerous employees at an ARCO plant in Monaca, PA.[20] His clients, Jerry L. Dotey and Ann White, were victims of apparent radiation exposure; but as Mr. Rosenbaum probed deeper in the subsequent interview sessions, a "Pandora's Box" was unveiled. His most astonishing conclusion was that Jerry Dotey and Ann White were likely the off-spring of Adolf Hitler, based in part on the uncanny resemblance from photos (facial features; bone structure and size were taken into consideration). Rosenbaum also states, "They both exhibit feelings and experiences that indicate they are twins." Dotey and White were allegedly subjected to torture of many kinds while under drug induced hypnosis, with each one undergoing at least three training techniques by plant physicians. Each victim was trained to enter into a hypnotic state upon the occurrence of specific stimuli, usually involving a "cue" word or phrase and trained to "remember to forget" what transpired in the hypnotic state. They were repeatedly subjected to identical stimulus-response sequence, to produce nearly automatic reactions to the particular status. MKULTRA veteran, Dr. Bernard Diamond, Dr. Martin Orne and Dr. Josef Mengele regularly visited the ARCO plant, according to Rosenbaum. The special conditioning of Dotey and White was intended for the artificial creation of dual German personalities. Rosenbaum, who is Jewish, has maintained a deep friendship with the two, despite the seemingly precarious circumstances.

Other renowned therapists involved in deprogramming are Cynthia Byrtus, Pamela Monday, Steve Ogilvie, Bennett Braun, Jerry Mungadze and Colin Ross. Some Christian counselors have been able to eliminate parts of the programming with limited success.

Journalists who have recently expounded on the subject matter in exemplary fashion are Walter Bowart, Operation Mind Control,

Conclusion

The most incriminating statement to date made by a government official as to the possible existence of Project MONARCH was extracted by Anton Chaitkin, a writer for the publication, The New Federalist.

When former CIA Director William Colby was asked directly, "What about monarch?" he replied angrily and ambiguously, "We stopped that between the late 1960's and the early 1970's."

Suffice to say that society, in its apparent state of cognitive dissonance, is generally in denial of the over whelming evidence of this multifarious conspiracy. Numerous victims/ survivors of Project MONARCH are in desperate need of help. However, the great majority of people are too preoccupied with themselves to show any genuine compassion toward these severely wounded individuals. Apathy has taken over the minds of the masses, who choose to exist within the comforts of this world. Reality has thus become obscured by relativism and selfishness.

Although there has been some progress in deprogramming and reintegrating therapies, a much greater problem needs to be rectified. The Holy Bible addresses this problem as the fragmentation of the soul (Ezekiel 13:20). A spiritual restoration is what is truly needed (Psalm 23:3) but can only take place by completely trusting in Jesus Christ as the way to salvation (John 3:16; I Peter 3:18) and deliverance from demonic oppression and/or possession (Mark 16:17). The true humility of Christ and the love of God effectively counters the pride and hatred of Satan.

Statistically, the road to recovery for these survivors of unimaginable depravity is a long and tedious one, but God is the ultimate healer and only within his time, through His strength and

by His grace, can the captives be set free (Isaiah 61:1).
