

# THIS THEY MUST NEVER KNOW.

"We will always hide the divine truth from them, that we are all one. This they must never know! They must never know that color is an illusion; they must always think they are not equal. If they ever find out that together they can vanquish us, they will take action." (from The Secret Covenant – page 3-12)

We are all part of The Human Project when remembering the true meaning of Life. All lessons are blessings and all enemies are angels. We are all One no matter what colour, religion or technology trying to separate us from the One Divine Truth – we are all equal and Life is eternal and death is an illusion.

Loving yourself is Loving all & freeing yourself is freeing all.

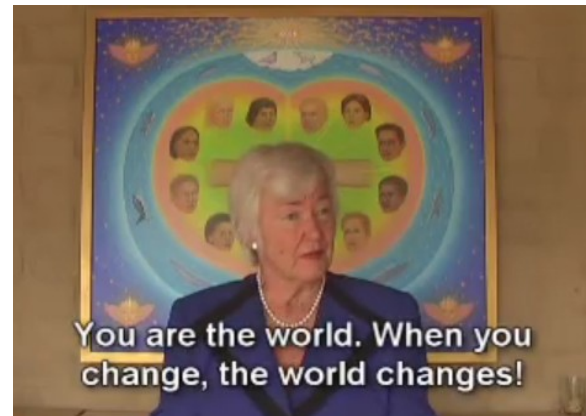

**"Peace comes from remembering that only Love is real."**  
(Chamuel)

## May the One Force Be with You!

## It's time to take action – Love is the key!

We are all One, and we are all equal. The physical plane will always be secondary to the spiritual plane. The main war the last 50 years has been the war against the human mind – it's a frequency war to disconnect you from your Spiritual essence, nature and freedom. **The mass awakening is now!**

### The following 10 pages reveal an essential "mouthful"!

If you have thin nerves, get emotional very easily or just don't wish to know, skip the 10 pages and go directly to page 13 from here. When studying the next pages, stay in your centre and observe "The Secret Covenant" from awareness – separate thinking and emotions by "**seeing it as a movie**".

When we are aware of things, we can change things by changing our attitudes and actions. We co-create our own destiny with every thought, feeling and action. **Imagine what you can do by being a conscious co-creator.**

## **The Secret Covenant with comments added begins here:**

"This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.

This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself."– the ones disinherited 2000 years ago.

An illusion it will be, so large, so vast it will escape their perception. Those who will see it will be thought of as insane.

*(Comment: Only the ones with eyes to see, ears to hear and heart to know, will see, hear and know. If people want to put you down or label you as insane or what so ever, be more kind, loving and forgiving and remove yourself from the field of ignorance, disrespect and lower energies – you are being a mirror for the others who still do not know that they are literally speaking about themselves. Be brave and listen to your inner voice now).*

We will create separate fronts to prevent them from seeing the connection between us. We will behave as if we are not connected to keep the illusion alive. Our goal will be accomplished one drop at a time so as to never bring suspicion upon ourselves. This will also prevent them from seeing the changes as they occur.

*(comment: "Order out of Chaos" - Problem-Reaction-Solution – the stepping stone principle. Everything has become transparent day by day. We are being "fed" with the illusion through the medias, politicians and authorities constantly. Flip it all around – if it gives meaning, it is closer to the truth than what you are being told. TV/Internet is designed to "mind control" and create as much confusion as possible, so people get locked in the wrong frequency in their brain – means wrong thinking, and that they loose their connexion to their own inner truth resonans which equals to feel the God Force within – we are all One no matter how we choose to intellectualize about it. We are part of God and God is in us – everything else is illusion)*

We will always stand above the relative field of their experience for we know the secrets of the absolute. We will work together always and will remain bound by blood and secrecy. Death will come to he who speaks.

*(Comment: When leaders, minister, people in powerful positions say yes to Bilderberg, Trilateral Commission, Secret societies, Masonry and other Dark Lodges they say no to God, and no one dare to speak, since they know the consequence of speaking – they have sold their Soul to Satan).*

We will keep their lifespan short and their minds weak while pretending to do the opposite. We will use our knowledge of science and technology in subtle ways so they will never see what is happening.

**(Comment:** *The science and technology Matrix is so heavy that most working in it, do not understand what they are part of – they have all more or less been totally conditioned (mind control), and therefore we must keep FORGIVING them, since they do not know what they do. When beginning at University the student go through 2-3 months of introduction to the way of thinking in the science field – meaning being "programmed" so to speak – and most will never know that they are locked in their ability to think out of the box – only few manage to break free of the bondage of wrong thinking of the lower mental mind – a kind of frequency blockage it is)*

We will use soft metals, aging accelerators and sedatives in food and water, also in the air. They will be blanketed by poisons everywhere they turn. The soft metals will cause them to lose their minds. We will promise to find a cure from our many fronts, yet we will feed them more poison.

**(Comment:** *STOP using products with Aspartame in them – look at chewing gum, soft drinks and everything you use – Aspartame is a serious brain killer. Flouride in water is also a slow-kill of your brain – is this why so few people seem to understand and tack clear action today? Who is controlling the water systems of your country – the STATE? How convenient or what do you think? Poisons in the air could that be soft metals from the Chemtrails spraying? Cancer has been exploding for min. 100 years. In 1905 one out of 24 died from cancer. In 2005 one in 3 died from cancer or the treatment rather? In the same period more than 175.000 new medicines/vaccinations (read: posions) have been created. Humanity has been promised for so many decades that they cure for cancer was near – the cure has been known at least 50 years. About chemtrails read the book "Chemtrails Confirmed" by William Thomas ([www.willthomasonline.net](http://www.willthomasonline.net)) and about "A World Without Cancer" (Edward Griffin) and the effective cancer cures visit [www.cancure.org](http://www.cancure.org) and [www.realityzone.com](http://www.realityzone.com)) Enlighten yourself and search for more facts about Aspartame and other sedatives – it is all out there. Take back your mind by removing the poisons from your Life – that means all and everything which is limiting the Life in you).*

The poisons will be absorbed trough their skin and mouths, they will destroy their minds and reproductive systems. From all this, their children will be born dead, and we will conceal this information. The poisons will be hidden in everything that surrounds them, in what they drink, eat, breathe and wear. We must be ingenious in dispensing the poisons for they can see far. We will teach them that the poisons are good, with fun images and musical tones. Those they look up to will help. We will enlist them to push our poisons.

**(Comment:** Here again Chemtrails is extremely important, since we are being sprayed with intensified rate now – look at links above. Go to the supermarket and compare what you see on the shelves with what you could get 10-20 years ago. Try to feel the products today – our bodies are more intelligent than we think – they tell us that this is junk. It is very important to become vegetarian due to the fact that we break the 5<sup>th</sup> Command every time we eat dead animals – we do not eat our friends, do we? It is part of the old Matrix "programme" that we need to eat meat. Meat is very heavy frequencies and the cause of so many illnesses – Denmark is a farming country focusing a lot on "pig production" (forgive them they do not know what they are doing), and the population has been brainwashed that meat and dairy produce are healthy and important to stay healthy – while at the same time illnesses are exploding. Arthritis is extreme here, and in general Danes are among the most "sick people" of the world, and we have always been told that we had the best healthcare system of the world – and most people still believe that, since the "programme" says that going to the doctor's and get medicine and pills is part of being healthy. And to this can be added that Danes believe they are the most happy people in the world – 10% of the population is in treatment for depression – halleluja!)

They will see our products being used in film and will grow accustomed to them and will never know their true effect.

**(Comment:** Why is it that alcohol, cigarettes (smoking), ice cream made from pig-fat, sweets, etc. are part of having a good time? What happened to the natural way of just being together in nature, going for a walk or just drop by for a cup of tea? TV, music, Internet has conditioned most today – STOP watching television (throw it out), STOP listening to music which does not truly uplift your Spirits and make you feel in inner harmony and use only the Internet for a CLEAR PURPOSE – be conscious about what you do on the Internet and the computer and STOP using it as entertainment and info-tainment – go into nature and commune – find peace in nature and experience, how your clarity and consciousness expands when being in resonance with nature – the Divine).

When they give birth we will inject poisons into the blood of their children and convince them it's for their health. We will start early on, when their minds are young, we will target their children with what children love most, sweet things. When their teeth decay we will fill them with metals that will kill their mind and steal their future.

**(Comment:** Why is it that children change behaviour when having vaccinations? STOP injecting poisons into your children and seek a competent homeopath to get as much poison out of the body as possible. Be inspired by watching the Norwegian health freedom fighter Atle Lövass – find video here [http://www.youtube.com/view\\_play\\_list?p=606A09848CC3E26B](http://www.youtube.com/view_play_list?p=606A09848CC3E26B) )

When their ability to learn has been affected, we will create medicine that will make them sicker and cause other diseases for which we will create yet more medicine.

**(Comment:** *Your children and you are being seen as "products" or cattle that are to be exploited from the cradle to the grave).*

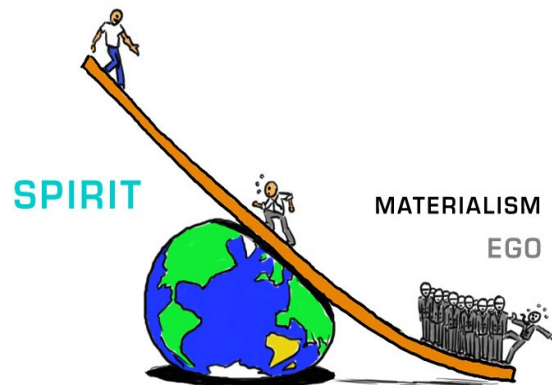

We will render them docile and weak before us by our power. They will grow depressed, slow and obese, and when they come to us for help, we will give them more poison.

**(Comment:** *Due to the extreme attack on the human mind and heart for decades, people have lost their true connexion to the Divine Truth. We are all Divine Beings and part of God, but when being disconnected on all "channels" and with all means, many people have lost the meaning of Life).*

We will focus their attention toward money and material goods so they many never connect with their inner self. We will distract them with fornication, external pleasures and games so they may never be one with the oneness of it all.

**(Comment:** *The material world will always be the secondary world, since we are Spiritual Beings having an Earthly experience.*

*Why is Xfactor, dance programmes, sports, Facehook, TV, computer games, etc. so "important"? Are they all really symptoms of that we have been distracted/disconnected from our true essence and purpose, so we entertain/info-tain us to death?)*

Their minds will belong to us and they will do as we say.

If they refuse we shall find ways to implement mind-altering technology into their lives. We will use fear as our weapon.

**(Comment:** *This is extremely important. It has come forth that the Danish State has a vision about the mobile and wireless society. BINGO. This is part of the over-all agenda. It is the State that is pushing forward the wireless society to suit the New World Order agenda. The State is just the control body for the controllers in the shadow. BE AWARE that mobile phones and the wireless technologies have been developed in military research and afterwards disguised in pink colours for women and blue for men and*

ring tones, etc. *BIG MOBILE is the biggest product on planet Earth – we are talking app. 5 billion mobile phone users – the wireless agenda has been pushed forward in a speed that by itself shows that "something" in the background is pushing it, since which company can run with our income for many years – in Scandinavia more than \$ 25 billion was invested in the rolling-out of the 3G "Soul disconnexion mobile phone system" and no one wanted to use the technology. And the State sold the licences for the telecom industry with the DEMAND that 98% of Denmark should be covered with 3G technology within a few years – the mobile phones and wireless society is the main weapon to mind-alter (mind control) humanity. Concerning FEAR the mobile and wireless technologies create a subtle fear in people, besides programming (re-writing) the human mind and "live".*

We will establish their governments and establish opposites within. We will own both sides. We will always hide our objective but carry out our plan. They will perform the labor for us and we shall prosper from their toil. **(Comment:** *Whether it is BLUE or RED, is the same hand running the mediocre theatre that the population are being "fed". Government is to make the population believe that they have choices which they do not. NOW we have the real choice and that is to SKIP government and all people serving the hidden hand – we do not need it any longer. They have served their role to INSPIRE us all to take back our power and be the Ones we truly are. We are Divine Beings and WE ARE ALL ONE – remember!)*

Our families will never mix with theirs. Our blood must be pure always, for it is the way.

We will make them kill each other when it suits us. We will keep them separated from the oneness by dogma and religion. We will control all aspects of their lives and tell them what to think and how. We will guide them kindly and gently letting them think they are guiding themselves. We will foment animosity between them through our factions.

**(Comment:** *Tell all people in the military to put down all weapons, since they are killing themselves and the Spirit of humanity. Thou shall not kill. Religion is man-made and truly a "mind-altering technology" - religion has separated Man from God and Sex from Love – created extreme dualism which again is a low energy state and thereby fear. Religion is mainly a "mind control" programme that has been used to enslave humanity in fear).*

When a light shall shine among them, we shall extinguish it by ridicule, or death, whichever suits us best.

**(Comment:** *It's very interesting to observe how people ridicule and judge each other, because even though we might not agree with others, we are still all One and that means that when we ridicule, attack and judge each other, we are really expressing our own ignorance, since we are really*

denying the Divine in a fellow Being. And since death is an illusion, we can never solve anything by bringing other people to death, since the wheel of karma runs constantly, so we will have to learn sooner or later, and therefore the following quote is so wonderfully true:

**"Where ignorance is removed, so-called 'evil' ceases to exist."**

(Martinus, *The Book of Life*, vol. 1, sect. 19) - [www.martinus.dk](http://www.martinus.dk))

We will make them rip each other's hearts apart and kill their own children.

We will accomplish this by using hate as our ally, anger as our friend.

The hate will blind them totally, and never shall they see that from their conflicts we emerge as their rulers. They will be busy killing each other. They will bathe in their own blood and kill their neighbors for as long as we see fit. We will benefit greatly from this, for they will not see us, for they cannot see us.

**(Comment:** *Dualism and the reptile brain meaning lower energy, FEAR and all sorts of negative expressions and emotions. It's a spiritual war going on and your mind and sanity are at stake here. Please understand what the phenomenon "Switching of the brain" is all about and learn to deswitch and teach others to strengthen their brain/mind with 3 exercises everyone can do. Find the interview about Switching with Dr. Manfred Doepp here [http://www.youtube.com/view\\_play\\_list?p=28C234ECE136BE6A](http://www.youtube.com/view_play_list?p=28C234ECE136BE6A) and learn to deswitch via [www.deswitch.com](http://www.deswitch.com))*

We will continue to prosper from their wars and their deaths. We shall repeat this over and over until our ultimate goal is accomplished.

**(Comment:** *Look at Libya here April 2011 – who is benefitting by creating war in Libya? Always follow the money and it becomes clear that the ones creating all these theatre wars are serving a complete other purpose – it is exactly like it was written in "1984" by George Orwell. Libya is about water and control so that Libya is not independent, since this is not popular with the NWO (New World Order) plan for the world. It is all about controlling all lands, resources and money. Watch these 3 videos about Libya:*

The videos are ending the comment here).

We will continue to make them live in fear and anger through images and sounds. We will use all the tools we have to accomplish this. The tools will be provided by their labor.

**(Comment:** Please download "Silent Weapons for a Quiet War" and tell others about it, please. Find it through [www.Bevolution.org](http://www.Bevolution.org))

We will make them hate themselves and their neighbors.

**We will always hide the divine truth from them, that we are all one.**

This they must never know! They must never know that color is an illusion; they must always think they are not equal.

**(Comment:** We are all One – no matter how we look at it and intellectualize and try to distract the focus, the Divine Truth is that we are all One, and that Life is eternal and death is an illusion. Colour is a huge illusion, since we are so much more. We are not our bodies – we are beautiful Light-bodies having a physical body as a vehicle in this dimension to develop, experience and learn in the school of Life. We are equal. Therefore some are desperate at running wars and fueling separation (dualism) between people by religion and propaganda on all channels. We are all part of God and God is in us. We recommend to study Martinus who wrote the Third Testament which puts things into a higher perspective and a clear understanding of what God and Unity truly is. Find it through [www.Martinus.dk](http://www.Martinus.dk))

Drop by drop, drop by drop we will advance our goal. We will take over their land, resources, and wealth to exercise total control over them.

**(Comment:** Palestine, Afghanistan, Iraqe, LIBYA... watch the videos about the propaganda and attempt to destabilize Libya and take over the control of a true visionary country using their free will – look further up in this document for the links to the videos).

We will deceive them into accepting laws that will steal the little freedom they will have.

**(Comment:** "Either you are with the terrorists, or you are a terrorist" - is the old dual-mode programme – the primitive way of the reptile brain which was clearly illustrated with the statement of boy Bush in relation to the so-called terrorist attack 911. Where are the SCIENTIFIC PROOFS? We have never seen any hardcore proofs and evidences that there are real terrorists around – with the Libya staged crisis it seems more and more obvious that the true terrorists of this world are wearing suits and working in the bank industry (government) manipulating all areas of societies. Full stop. Take back your power now and LOVE more and FORGIVE the ignorant, since they do not know what they are doing. Just as they believe they have won, they loose!)

We will establish a money system that will imprison them forever, keeping them and their children in debt.

*(Comment: Why are people paying 3 houses to live in one when the State could lend all money out and only charge a little fee to settle the papers and administration? John F. Kennedy was killed, because he wanted to remove the power of the "Fed" which has since torn the world apart. In Denmark the State gave the banks \$ 20 billion as a bail-out and then the banks can go on with their extended Monopoly and destroy people, families and enslave all to a business model (system) which is a huge betrayal – lending money out which does not exist and charge interest on it!)*

When they shall ban together, we shall accuse them of crimes and present a different story to the world for we shall own all the media. We will use our media to control the flow of information and their sentiment in our favor.

*(Comment: The main function of the medias is to lie, manipulate and pervert. Journalists are in general "intellectual prostitutes" writing anything for money. David Rockefeller expressed i 1991 in Baden-Baden, Germany:*

*"We are grateful to the Washington Post, NY Times, Time magazine & other great publications whose directors have attended our meetings & respected their promises of discretion for almost 40 years. It would have been impossible for us to develop our plan for the world if we had been subjected to the lights of publicity during those years. But, the world is now more sophisticated & prepared to march towards a world government. The supranational sovereignty of an intellectual elite & world bankers is surely preferable to the national auto-determination practiced in past centuries."*

When they shall rise up against us we will crush them like insects, for they are less than that.

*(Comment: The elite sees themselves as superior, but we are all equal and we are all One. They have created a synthetic and perverse reality which is coming to an end now (written in April 2011) – they are desperate, and finally a mass awakening is going on, and people will become true human beings caring for each other and co-creating harmony and balance)*

They will be helpless to do anything for they will have no weapons.

*(Comment: Our main "weapon" is **LOVE, COMPASSION and FORGIVENESS** – Love conquers all and the solution that will all vanish from planet Earth who is not coming from Love – **USE YOUR "WEAPON" NOW!**)*

We will recruit some of their own to carry out our plans, we will promise them eternal life, but eternal life they will never have for they are not of us. The recruits will be called "initiates" and will be indoctrinated to believe

false rites of passage to higher realms.

**(Comment:** *This is why State and governmental leaders are making decisions in direct opposition to common sense and the greater good, since they have been taken over by the Dark Lodge who has tricked them. Again we must FORGIVE them again and again, since they do not know what they are doing, and what is awaiting them).*

Members of these groups will think they are one with us never knowing the truth. They must never learn this truth for they will turn against us. For their work they will be rewarded with earthly things and great titles, but never will they become immortal and join us, never will they receive the light and travel the stars.

**(Comment:** *In reality we see a very primitive factor in people serving the Dark Lodge, since they will do everything for money and worldly status not realizing that this is binding them to the physical realm and thereby imprisoning them. It's the EGO game – more, more, more and power no matter at what cost – even if it means breaking the Constitution and manipulating all and everyone along the way – for what? We can only cheat on ourselves, since sooner or later we will have to learn from the return of what we have sown. Time to get on the right track and stay there. Return to God).*

They will never reach the higher realms, for the killing of their own kind will prevent passage to the realm of enlightenment.

**(Comment:** ***"Thou shall not kill"** (5<sup>th</sup> Command) = **LOVE**. When we kill our brothers and sisters, we kill our selves and our spirits – we kill something very precious – the resonance with the Christ Being within. We create more negative karma by contributing to the killing principle by eating animals – we do not kill and eat our friends, do we? **We are all One**).*

This they will never know. The truth will be hidden in their face, so close they will not be able to focus on it until it's too late.

Oh yes, so grand the illusion of freedom will be, that they will never know they are our slaves. When all is in place, the reality we will have created for them will own them. This reality will be their prison.

They will live in self-delusion.

**(Comment:** *It's all over and it's both very interesting and scaring to observe, how much people are caught in the Matrix of illusions, and how difficult it is to open up the mind and let fresh wind flow through).*

When our goal is accomplished a new era of domination will begin.

**(Comment:** *Just when they believe, they have won, they loose).*

Their minds will be bound by their beliefs, the beliefs we have established from time immemorial.

**(Comment:** *"I know but one freedom, and that is the freedom of the mind" (Antonie de Saint-Exupéry) – it's time to FREE YOUR MIND by being you and face your BEVOLUTION = the inner revolution creating the outer transformation).*

But if they ever find out they are our equal, we shall perish then.

**(Comment:** *You are their EQUAL. We are all equal. Remind everyone of this and practise peaceful co-existence and make people understand that we have all been exposed to extreme mind-manipulation (mind control) and mind-altering technologies like the whole wireless society. We are all One and this means that it is our RESPONSIBILITY each and everyone of us to enlighten and help each other as much as we can. We are in this together, and we can co-create and we are co-creating a wonderful and beautiful future already by holding the right and loving intentions for the new and not dwell in the disaster plans and whatever is being planned – when not paying attention to all that, we do not feed the "beast").*

## **THIS THEY MUST NEVER KNOW.**

If they ever find out that together they can vanquish us, they will take action. They must never, ever find out what we have done, for if they do, we shall have no place to run, for it will be easy to see who we are once the veil has fallen. Our actions will have revealed who we are and they will hunt us down and no person shall give us shelter.

This is the secret covenant by which we shall live the rest of our present and future lives, for this reality will transcend many generations and life spans. This covenant is sealed by blood, our blood. We, the ones who from heaven to earth came.

This covenant must NEVER, EVER be known to exist. It must NEVER, EVER be written or spoken of for if it is, the consciousness it will spawn will release the fury of the PRIME CREATOR upon us and we shall be cast to the depths from whence we came and remain there until the end time of infinity itself."

**(End comment:** *The main plan behind the mentality of The Secret Covenant is to remove God from your life – to disconnect your true connexion to the Divine essence and truth of what you truly are and the meaning of Life – **LOVE FOR ALL, SINCE WE ARE ALL ONE!** To get the "concept" of God right in these challenging times of great confusion, enlighten yourself! **Use the Unity picture as a reminder to treat others as you wish to be treated – to centre yourself in LOVE.**

The picture resonates with the number **13 = LOVE** (unconditional), death and rebirth (reincarnation), Phoenix, Christ (the perfected Soul in matter), transition from the old to the new, enlightenment, ascension to higher perspective.

13 is the ultimate and very critical number in creation. Consciousness vibrates/divides everything by the number 13.
